

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at <http://books.google.com/>

CHILD WELFARE

This list represents a selection of the more modern literature on the subject of Child Welfare, to be found in the Chicago Public Library. It is neither a complete bibliography of that subject nor an exhaustive catalog of the resources of the Library. It is published at the cost of the Child Welfare Exhibit, and is offered as a legitimate and useful complement to the visual exhibition held in Chicago, May 11th to 26th. The work of selection, compilation and printing was done by the Reference and Editorial Departments of the Chicago Public Library

Books marked "Doc." or "Ser.," i. e., government publications, serials and proceedings of societies, like the National Conference of Charities and Correction, do not circulate, but may be consulted in the Reference Room of the main library.

CHILDREN

Abbott, E. H. On the training of parents. 1908. L 10260

Ideas on the upbringing of children. The points are plentifully reinforced by illustrations drawn evidently from experience.—*Carnegie Library Bul.*

Allen, Mrs. M. W. Making the best of our children. 1909. L 10277

These stories have been written for the enlightenment of fathers and mothers.—*Pref.*

Applied ideals in work with boys, by C. W. Crampton, W. S. Hall and others. 1910. L 8490

Bray, R. A. The town child. 1907. L 10262
Treats of every phase of the life of the child in the town.

Building boyhood; a "book of principles." 1909. L 11418

Cooper, E. H. The twentieth century child. 1905. L 10478

Dickinson, G. A. Your boy; his nature and nurture. 1909. L 11406

Forbush, W. B. The boy problem. 1907. L 9712

A sensible, practical discussion of the problem, not taking up the question of home training.

- Gilman, Mrs. C. P. S.** Concerning children. 1900. **L 10490**
- Hall, G. S.** Youth; its education, regimen, and hygiene. 1906. **N 1149**
- Horton, C. B., ed.** Reaching the boys of an entire community. 1909. **L 11417**
 Founded on addresses and discussions at the Institute for workers with boys held at York, Pa., in 1908.—*Pub. Wk.*
- Kerr, Le G.** The care and training of children. 1910. **N 2123**
 A concise and practical aid in the mental and moral as well as the physical training of children.—*Bk. Rev. Dig.*
- Key, Ellen.** The century of the child. 1909. **L 10268**
Contents: The right of the child to choose its parents; The unborn race and woman's work; Education; Homelessness; Soul murder in the schools; The school of the future; Religious instruction; Child labour and the crimes of children.
- Mangold, G. B.** Child problems. 1910. **L 8707**
 The chief purpose of this book is to give its readers a general view of the principal social child problems of to-day.—*Pref.*
- Martin, E. S.** The luxury of children & some other luxuries. 1905. **E 4485**
Contents: The luxury of children; Some children in particular; Other people's children; Parents; Strong points of infancy; Naughtiness; Girls and their education; The exchange of children; Children as an incentive; Women; Real life; The pinch of comfort; A proper place for grandparents; Winter in the country.
- Merrill, L.** Winning the boy. 1908. **L 6074**
Contents: The kid's honor; The heart of a boy; Jimmy's heritage of weakness; A boy, two flights of stairs and a friend; The transition to manhood; A study of the individual boy; Fresh air work with boys; Religious meetings for boys; A club for boys.
- Moon, E. L.** The contents of the boy. 1909. **L 11422**
 "The 'contents' relate to the boy's nature, endowments, and development."

Oppenheim, N. The development of the child. 1902. L 1660

Richmond, E. Through boyhood to manhood; a plea for ideals. 1900. L 11421

Warner, F. The nervous system of the child, its growth and health in education. 1900. L 1419

Wayne, K. H. Building your boy, how to do it, how not to do it. 1910. L 11437

The headings of the different parts of this common-sense book on boy-training, are: Contented mediocrity; Wrong of inattention; Be the chum of your boy; Boy's judgment; Put the boy on his honor; Kindliness versus coercion; Don't nag; Benefit of the doubt; Home attractive; Choice of life-work, etc.—*Pub. Wk.*

THE INFANT

Bainbridge, W. S. Life's day; guide-posts and danger-signals in health. 1909. N 1374

Barrett, H. The management of children; a book for mothers and nurses. 1906.
